FalconMedia Premium Line CD-R 700MB|80min 52x speed speed, inkjet fullsurface printable, uniform silver hub, wide sputtered, BOS 100HP

FalconMedia Premium Line CD-R 52x 700MB offers the most reliable storage solution, designed and manufactured to match all professional user requirements. It is a TDK Time Code achieving lowest error rates and ensuring smooth operations with very few rejects because of its high consistency and low batch to batch variation. FalconMedia Premium Line CD-R ensures strict controls in term of cosmetic defaults and comes in wide and clear hub reflective layer featuring uniform white hub printable surface for maximum artwork coverage.

With reference to the LNE benchmark report (Laboratoire National de métrologie et d'Essais - France) this product passed ISO/IEC 18927 (ECMA 379) Standard Test and Conditions and is ROHS/REACH compliant.
