

BOX81

MediaRange Selector 100, media storage system for 100 discs, with writable index, black

MediaRange media storage cases are great for storing and organizing your discs. The MediaRange Selector is perfect for protecting up to 100 medias. The writable index allows you to categorize your personal media collection easily. The elegant and robust looking case opens automatically with your requested disc, which can be selected before by a slide-mechanism. The comfortable carry handles and a lock-function are perfect for transporting your selector.
