

## MR734

### MediaRange Wireless speaker bar, stereo audio system, black

MediaRange Bluetooth speakers are your ideal companions for trips or outdoor parties. Our compact speakers in a robust and stylish design can be quickly and easily connected to your smartphone or tablet PC via Bluetooth and offer you several hours of music enjoyment thanks to powerful batteries. An additional slot for USB memory sticks and micro SD cards, an AUX connection and the integrated radio receiver provide additional musical variety. Thanks to the built-in microphone, our speakers can also be used as a hands-free device. The control panel with 5 buttons allows comfortable music control and navigation through your playlist.
