Product and safety data sheet:

Please download the product and safety data sheet for MediaRange Screen Cleaning Spray with microfibre cloth, 250ml (Item no.: MR721) [here](#).

Operating and safety instructions:

Spray the liquid onto the microfiber cloth and clean the surface thoroughly. Then remove any residual liquid with a dry section of the microfibre cloth.

Please check and observe the remarks provided by the device manufacturer before cleaning the device.

Make sure that your device is switched off and allowed to cool off (if necessary, unplug the

mains plug).

Do not exert excessive pressure. This will avoid scratching the surface with dust.

To make sure that the materials are compatible, please test on a small, inconspicuous surface before using on a large area.

Do not use water to clean the device!

Do not use solvents such as petrol, acetone or alcohol! Please follow the governmental regulations for disposal
